

20 November 2017

Dear Resident/business owner,

Crowlands Wind Farm – Drop in Community Information Session

Pacific Hydro invites you to a drop in information session at Crowlands Hall, 49 Wright Street, Crowlands from 3pm – 7pm on Wednesday 29th November 2017.

The session will provide an opportunity to learn more about the Crowlands Wind Farm Project, information about upcoming construction work, and the opportunity to meet Pacific Hydro's project team and its contractor, Servion.

The team will be on hand between 3pm and 7pm and we look forward to meeting you.

Over the coming month's activities on site will include:

- Site mobilisation
- Civil works

The drop-in community information session will also be an opportunity for local businesses to register their capabilities in providing a range of goods and services during construction and operation such as:

- Civil works and plant equipment hire
- Building supplies
- Food and accommodation

We would also like to hear from members of the community who live within 3km of a wind turbine generator associated with the Crowlands Wind Farm Project who would like to be considered for our Visual Screening Program.

Light refreshments will be provided and we look forward to meeting you. Please RSVP for catering purposes at enquiries@pacifichydro.com.au or 1800 730 734.

For other information and to register for updates on the Crowlands Wind Farm please visit our website.

Yours sincerely

Josephine Newman
