Eligibility

Your Organisation

To be eligible to apply, your organisation must meet the following criteria:

- The organisation is a non-profit entity or local community group (Incorporated Association, Company Limited by Guarantee, or Co-operative or, if not incorporated, the organisation must have an ABN and be able to demonstrate its non-profit status.)
For reference, "A non-profit organisation is an organisation that is not operating for the profit or gain (either direct or indirect) of its individual members."
- Provides services or amenity to the local community in the relevant Fund Area (as defined in the guidelines)
- The organisation and its activities are not the sole responsibility of a government department or agency.
NOTE: entities that are incorporated as part of a broader government service are eligible to apply – this includes local volunteer fire brigades and SES units, Committees of Management for crown land and council land/facilities.
- If your organisation has received a Sustainable Communities Fund grant previously, all of the reporting back obligations have been met

The Project

- The project does not fall under the sole responsibility of a government department or agency
- The project will directly benefit the local community in which the Fund operates by providing a benefit or community enhancement for at least 50 people
- The project does not benefit select individuals, and is not for private gain
- The project can be completed within 12 months of the Recipient being advised of its successful application, unless Pacific Hydro is satisfied that given the unique circumstances of the project, a longer timeframe is appropriate
- The amount being applied for this specific project is \$10,000 or less
- The project has council approval (if required).

About Your Organisation

Tell us about your organisation – why you were established, what services you deliver to the community, and your core activities.

Your Project

Identify at least one specific issue(s) or community need(s) your project aims to address.

Health and Welfare

Sport and Recreation

Education and Training

Culture and Arts

Environment

Aims and Objectives

Please describe the aims and objectives of your project. What do you want it to achieve or provide to your community? These objectives must align with the objectives of the Sustainable Communities Program, and will be used to measure the success of your project in evaluation.

eg: "Enhance the interior of the scout hall – providing better facilities for scouts and the community to use and enjoy for meetings, events, and functions", "Buy a new Entertainment System for the Senior Citizen's Centre – providing better recreational activities" etc.

Rationale, Demographics, and Key Criteria

How did you identify this local need in your community?

eg: local media coverage, experience and insight of our members, Census data, previous work of our organisation, local council research, etc.

Who will your project benefit? Please select all that apply.

Please address the following Selection Criteria as outlined in the Sustainable Communities Fund Application Guidelines. Attach a separate list if required.

- 1** How will your project contribute to the long-term social well-being of your community?
 (i.e. what will it do for members of the community)

- 2** How will your project benefit the local economy?
 (i.e. will it attract tourists, encourage visitors, support local business)

- 3** How will your project benefit the environment?
 (i.e. will it help to reduce carbon emissions, support or rehabilitate the local environment, help to reduce environmental impacts)

Funding Sought

What are you seeking funding for specifically? How much money is being sought from Pacific Hydro? Provide a breakdown of each part of the project and the total amount sought. Attach a separate sheet if required. Please include all quotes or price catalogues with your application.

How will the organisation evaluate or measure the success of the project? Are there any events or outcomes that will show your project has been successful?
The aims/objectives listed in this application will form the basis for your evaluation of your project in a Report Back Form following its successful completion.

Is there anything else that we haven't asked that you believe is critical to this application?
eg. What makes this project different, innovative, and/or an original solution?

Terms & Conditions

The following conditions apply to the Pacific Hydro Sustainable Communities Fund:

- 1 Pacific Hydro Pty Ltd or its related bodies corporate "Pacific Hydro" will provide the successful applicant(s) ('the Recipient') with funding for a one off period in the amount determined by Pacific Hydro in its sole and absolute discretion. Pacific Hydro shall not be required to provide reasons for refusal to make a grant or the amount that is agreed to be granted.
- 2 The funding amount must be used and applied solely for the purpose of the project stated in the Community Grant Agreement and Letter of Offer.
- 3 Expenditure of the funds so granted shall be completed within twelve months of grant, unless otherwise arranged with Pacific Hydro.
- 4 If the project is delayed or the Recipient is unable to implement the project as described in the Application Form it must either:
 - (a) seek Pacific Hydro's approval of a revised timeline; or
 - (b) notify Pacific Hydro that it is unable to implement the project.Pacific Hydro will not entertain applications to amend the scope of an approved project.
- 5 If approval from Pacific Hydro is not received to an application under item 4(a), any remaining unspent amount of the grant monies must be returned to Pacific Hydro by the end of the project completion period.
- 6 If the Recipient is unable to implement the project in accordance with item 4(b), any remaining unspent amount of the grant shall be returned to Pacific Hydro within two weeks of it becoming apparent.
- 7 If the Recipient receives an extension in accordance with item 4(a) above and is still unable to implement the project within the agreed timeframe, it will be required to return any remaining unspent amount of the grant monies to Pacific Hydro within two weeks of the revised project completion date.
- 8 The Recipient will provide to Pacific Hydro a 'Report Back form' outlining the outcomes of the project with adequate proof of expenditure. This report shall be provided to Pacific Hydro within four weeks of the end date of the project or within seven months of receiving the grant, whichever is sooner.
- 9 Should the actual project costs be less than the proposed project costs, the Recipient must repay the difference to Pacific Hydro at the time of providing the Report Back form unless the Recipient has been given approval by Pacific Hydro for an appropriate extension of scope to cover the remaining funds.
- 10 Should the actual total project costs be more than the proposed project costs, Pacific Hydro will not be responsible, nor obliged to pay, any monies additional to the notified fund amount.
- 11 The Recipient will become ineligible to apply for further funding under the Fund if it:
 - (a) fails to deliver the project as described;
 - (b) fails to implement the project within 12 months, or within the alternate timeframe agreed with Pacific Hydro;
 - (c) fails to return funds on receiving a request from Pacific Hydro in accordance with these Terms and Conditions; or
 - (d) fails to provide a Report Back Form with adequate proof of expenditure.
- 12 If the Recipient becomes ineligible to apply for further funding under item 11 above or the Terms and Conditions are not met, Pacific Hydro may require the Recipient to return the grant monies in full, at its discretion.
- 13 The Recipient is required to sign and return the Community Grant Agreement before funds are distributed.
- 14 The Recipient will keep and maintain adequate insurance (including public liability insurance) for the activities carried out by the Recipient in relation to this project, against any claims for loss or damage to property and injury

- or death to persons. At any time before or after determining the application, Pacific Hydro is entitled to request verification of the Recipient's insurance and the Recipient must comply with such a request. If the Recipient does not have or maintain adequate insurance, Pacific Hydro reserves the right to refuse the application, terminate the project and/or require the Recipient to return the grant monies in full, at its discretion.
- 15 Pacific Hydro's financial assistance to your activity/project must be acknowledged, regardless of the amount of funding. This is a condition of the Recipient's funding. To acknowledge Pacific Hydro's financial assistance, you must display the Pacific Hydro Pty Ltd logo, or state in writing that Pacific Hydro has funded your project. Pacific Hydro must be acknowledged, in a manner and form acceptable to Pacific Hydro for the duration of the activity/project. Pacific Hydro may not be referred to for any purposes outside of the activity/project. Pacific Hydro reserves the right to refuse requests for permission to use Pacific Hydro logos or written acknowledgement of Pacific Hydro. Acknowledgement guidelines and logos will be supplied by Pacific Hydro.
 - 16 All advertising, signage, media releases and other promotional material that contains the Pacific Hydro logo must be submitted to and approved by Pacific Hydro prior to its production and release.
 - 17 These Terms and Conditions are to be read together with the Sustainable Communities Fund: Application Guidelines and the Letter of Offer and Community Grant Agreement from Pacific Hydro. They will all form the terms of the agreement between yourself and Pacific Hydro.
 - 18 If the Recipient is registered for GST, the amount of the funding will be grossed up to include the GST amount, subject to a tax invoice being provided to Pacific Hydro.
